THE DOT PENDANT IS DESIGNED TO CREATE A COSY ATMOSPHERE IN YOUR HOME. IT IS INSPIRED BY PERFORATED METAL AND THE PATTERNS THAT THE LIGHT CREATES WHEN SHINING THROUGH THE HOLES. THE CONTRAST BETWEEN THE PERFORATED METAL AND THE SMOOTH OPAL GLASS, MAKES DOT BOTH A SIMPLE AND SIGNIFICANT PENDANT. DOT COMES IN THREE DIFFERENT SIZES TO MIX AND MATCH AND TO SHINE BOTH WHEN SWITCHED ON AND OFF.
