## Thank you for choosing a product. Your total satisfaction is our #1 priority.

### Customer service and warranty information

Should you have a problem or need more information concerning the warranty, ***do not call to the place of purchase.***

**Please call our customer service department for immediate assistance using the following toll free number**

Please have your assembly instruction manual on hand when you call. Our products are warranted to the original purchaser against defects in material or workmanship in the furniture. Defects as mentioned in this warranty refer to any imperfections which may impair the use of the product. Our warranty is expressly limited to the replacement of furniture parts and components for ten years following the date of purchase. We will replace any part that is defective. This warranty applies under conditions of normal use. Our furniture products are not intended for outdoor use. The warranty does not cover defects caused by improper assembly or disassembly, defects occurring after purchase due to product modifications, intentional damage, accident, misuse, exposure to the elements and labor or assembly costs. We reserve the right to request proof of purchase to document a warranty claim. In no event shall we be liable for incidental or consequent damages resulting from the misuse of the product. This warranty is not transferable and is valid only in Canada and the United States excluding Alaska, Hawaii and Puerto Rico.

Use screw A for horizontal adjustment, screw B for depth adjustment and screws C for vertical adjustment.

Utilisez la vis A pour l'ajustement horizontal, les vis B pour l'ajustement en profondeur et les vis C pour l'ajustement vertical.

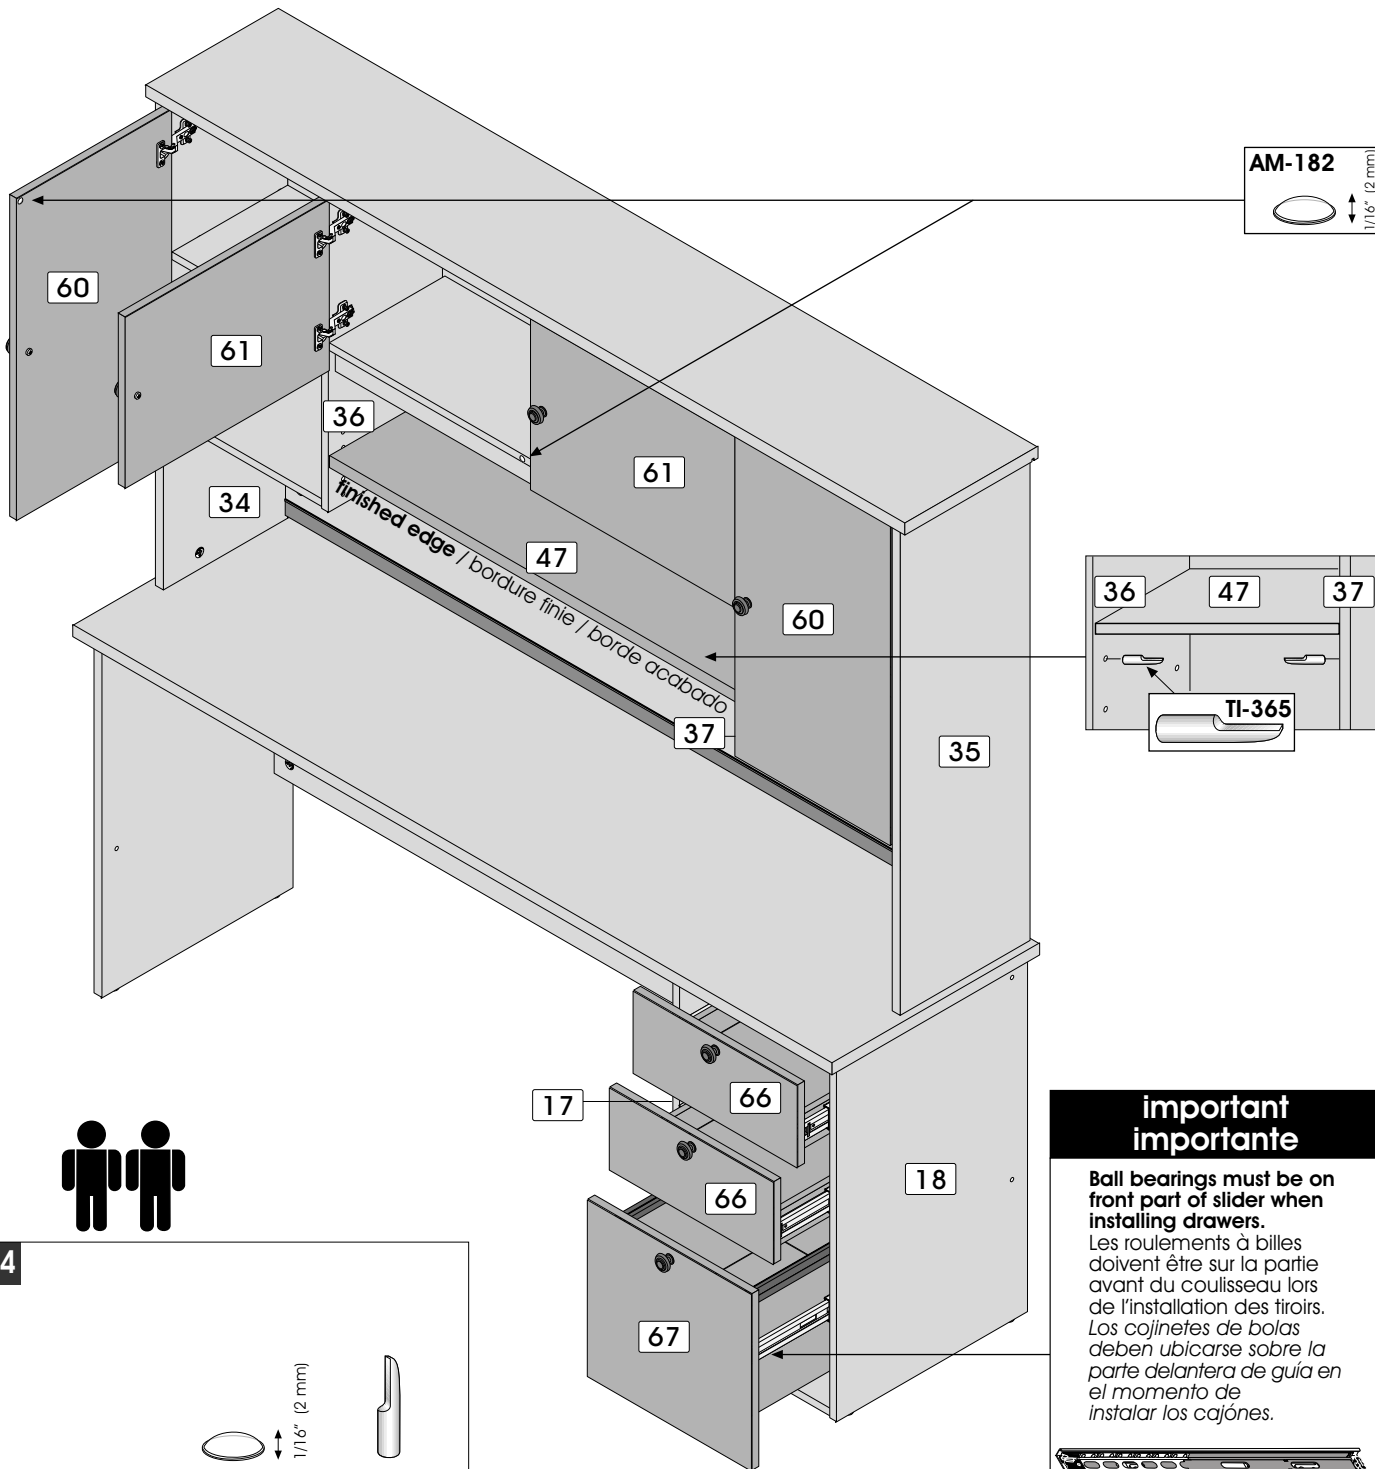

Utilice el tornillo A para realizar el ajuste horizontal, los tornillos B para el ajuste de profundidad y los tornillos C para el ajuste vertical.

To remove hinges (CH-840), start by loosening these two screws to free the locking system.

Pour enlever les pentures (CH-840), desserrez ces deux vis d'abord pour libérer le système de verrouillage.

Para retirar las bisagras (CH-840), afloje primero estos dos tornillos para liberar el sistema de fijación.
