

AC110-220V
LED: E26/E27

Installation Steps:

1. Fix the lamp shade on the lamp cap with the lamp cap ring
2. Install the light source
3. Fix the lamp hanging plate on the ceiling with accessory screws
4. Connect the lamp wire to the main power line.
5. Install the lamp on the fixed hanging plate with screws.

Attention:

1. Please disconnect the power supply until you finish the installation, we recommend installation by a licensed electrician.
2. Please allow a little color difference due to different monitor and 1-2cm error due to manual measurement
3. If there any quality problem, missing parts or other something wrong of the item, please kindly contact with us and we will help you with the satisfied solution.
