Made in China.

Two or more adults required for assembly

IMPORTANT

After receiving the shipment, inspect the product thoroughly to ensure that it has been shipped with care.

Before assembly make sure that the packaging contains all parts.

For service or parts replacement under warranty, the official sales receipt is required. Please keep your official sales receipt for future reference

OFFICIAL SALES RECEIPT CAN BE ATTACHED HERE

Service or parts under warranty
only available with show of receipt

Please contact us for any questions at **1-800-775-6524** before returning this product.

Once assembled your table is quite wide and may not fit through your doors. For this reason you should assemble it in the room you intend it to be used. Should you wish to move your table to another room, it might be necessary to remove its legs.

Use a soft, clean and level surface to begin the assembly of your game table. (Such as the inside of the cardboard box, carpet, etc.). This will prevent the table surface from getting damaged. Make sure to remove any staples from the cardboard box before using it as an underground.

This game table will be partially assembled upside down and then turned over onto its legs. This is a heavy game and turning it over will require at least two strong adults.

When installing parts that have more than one screw or bolt, hand tighten all screws or bolts in place before tightening with screwdriver or allen key.

Electric screwdrivers may be helpful during assembly. However, please set a low torque and use extreme caution because screws may be stripped or over tightened if the electric screwdriver's torque is set too high.

Save these IMPORTANT Safety Instructions

Warning:

This product is intended for indoor use in a climate controlled environment only. Excessive temperatures and humidity may have an influence on the play quality and durability of this table.

This table should only be used by adults or under the supervision of adults. This table is NOT a toy.

Do not sit, climb, or lean on the table. Do not place anything on the top of the play field.

Do not drag the table when moving it, as this could damage the legs or unit beyond repair.

Do not place any food or drinks on the table or play field

Only use the table for its intended purpose

Damaged or worn parts may be dangerous for users and the integrity of the table. Replace worn or damaged components immediately and do not use the table until any issues have been resolved.

Unauthorized repairs or changing the table's design or functions may be dangerous and will void the warranty.

Check all screws, bolts, etc. with regular intervals to ensure that they are in good working condition and have not loosened overtime.

Age Grade 8+:

This product is not recommended for children under 8 years of age.

Care and Maintenance

Clean your table periodically. It is sufficient to wipe its surfaces with mild soap and water using a damp cloth. The bearings normally do not require any lubrication. However, should you wish to enhance their smoothness, you may spray the play rods near the bearings with a good quality silicone spray.

Turning the table

It will take minimum **TWO STRONG ADULTS** to lift the assembled table from the floor and turn it over without putting weight on the legs.

Table may become damaged if it is placed to the floor in an angle.

TOOLS

Required

Phillips head screwdriver
(Not included)

Allen key

Limited Warranty

This product is warranted to the original owner to be free from defects in workmanship and materials when used for the intended purpose under normal use and conditions for a period of 90 days from the date of original retail purchase. Proof of purchase is required when requesting for parts or service.

This Limited Warranty covers all defects in materials and workmanship but will be void if the product is:

- Damaged due to transportation, improper usage, storage, negligence, misuse, abuse, acts of nature or accidents (including for not following the instructions supplied with this product).
- Used in a commercial environment such as schools, correctional facilities, recreational centers, camps, churches, day-cares or any other public facility and/or as rentals.
- Modified or repaired by unauthorized persons.

This Limited Warranty does not cover:

- Nonessential items such as accessories, cosmetic parts and any other items showing wear due to normal usage.
- Any transportation, delivery, installation costs incurred by the consumer from original place of purchase to home, or back to the original place of purchase.
- Items purchased from a third party or from an unauthorized retailer.

This warranty is nontransferable and is expressly limited to the repair or replacement of the defective product. During the warranty period, the manufacturer shall repair or replace defective parts at no cost to the purchaser. Shipping charges and insurance are not covered and are the responsibility of the purchaser. Labor charges and related expenses for removal, installation or replacement of the product or components are not covered under this warranty.

The manufacturer reserves the right to make substitutions to warranty claims if parts are unavailable or obsolete.
