REVIEW BEFORE ASSEMBLY

- **TOOLS:** Allen wrench is included. No other tools are necessary.

For assistance or replacement, please contact us

- 1** Assemble the **DAY BED**, **TOP PLATFORM**, and **SCRATCHING POSTS** unit. You will need these pieces:

Twist a **middle-height** post with screw-end into the square day bed.

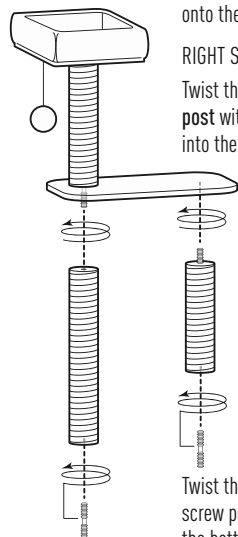

Twist the two-ended screw post into the bottom—up to where the screw thread stops.

LEFT SIDE:

Insert the screw post through the top platform. Twist the **tallest** post without screw-end onto the screw post.

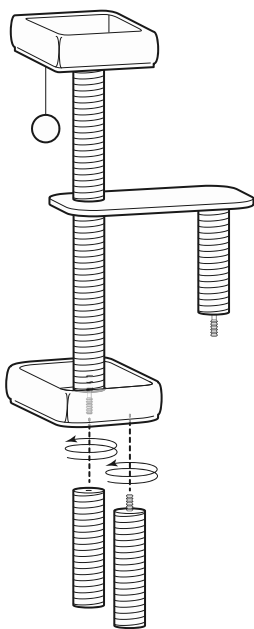

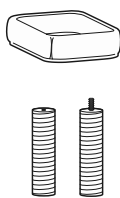

RIGHT SIDE:

Twist the **shortest** post with screw-end into the platform.

Twist the two-ended screw posts into the bottoms of both scratching posts.

- 2** Attach the **RECTANGLE DAY BED** and lower **SCRATCHING POSTS**. You will need these pieces:

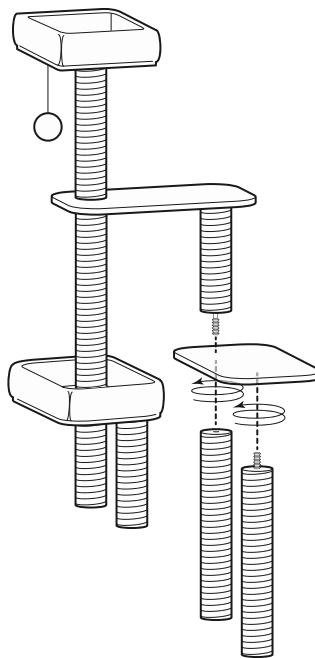

LEFT SIDE/BACK:

Insert the screw post through the hole in the rectangle day bed. Twist the **shortest** post without screw-end onto the screw post.

LEFT SIDE/FRONT:

Twist the remaining **short** post with screw-end into the bed on the front end.

- 3** Attach the **TOY PLATFORM** and last **SCRATCHING POST**. You will need these pieces:

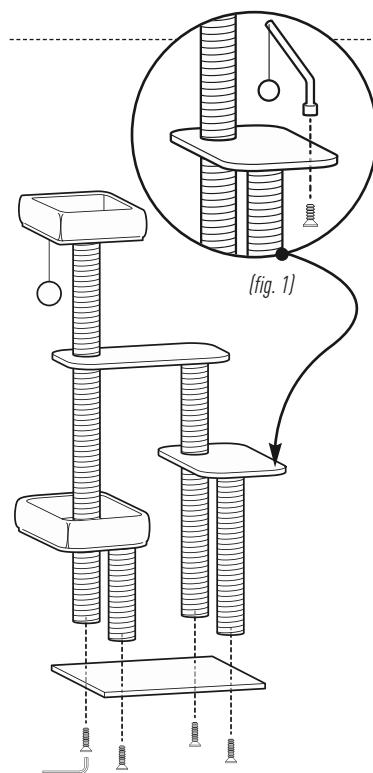

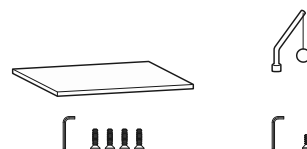

RIGHT SIDE/BACK:

Insert the screw post through the toy platform and twist the **tallest** scratching post without screw-end onto the screw post.

RIGHT SIDE/FRONT:

Twist the **tallest** post with screw-end into the toy platform on the front end.

- 4** To attach the assembled unit and **PLAY TOY** to the **BASE**, you will need these pieces:

Add the assembled unit to the base. Use the **long screws** for the base. Tighten securely.

Attach the play toy last. Use the short screw (see detail, fig. 1).
