**Big Single Fry Baskets**

The 18-qt. pot comes with a single fry basket, so you can fry up a larger batch at one time.

**Insulated Handles**

The baskets include long-stem insulated handles that provide additional safety by not conducting the heat from the hot oil.

**Easily Portable**

The handles on each side of the pot allow for easy transport to and from the stove or table, as well as when disposing of the oil.

**Convenient Outdoor Use**

Whether you're cooking up fried chicken, french fries, or breaded vegetables, this fry pot prevents you from having to constantly go inside to cook when the event is taking place outside.

Insert the 4 pieces of M5 bolts and flat washers through the basket handle and basket, and tighten the 4 pieces of nuts with 4 pieces of tooth washers.

**Great hang function for filtered oil**
