

FULL TEN-YEAR WARRANTY ON MOTOR

This warranty is available to consumers only. You are a consumer if you are the owner of a Cuisinart® Premier Series 11-Cup Food Processor that was purchased at retail for personal, family or household use. This warranty is not available to retailers or other commercial purchasers or owners.

We warrant that your Cuisinart® Premier Series 11-Cup Food Processor will be free of defects in material or workmanship under normal home use for three years from the date of original purchase.

We warrant that the motor for your Cuisinart® Premier Series 11-Cup Food Processor will be free of defects in material or workmanship under normal home use for ten years from the date of original purchase. This motor warranty covers the motor and excludes all other parts in the motor base assembly area such as the upper and lower plastic housings, work bowl and cover, blades and all electrical components and vertical projecting motor shaft sheath.

We recommend that you visit our website, www.cuisinart.com for a fast, efficient way to complete your product registration. However, product registration does not eliminate the need for the consumer to maintain the original proof of purchase in order to obtain the warranty benefits. In the event that you do not have proof of purchase date, the purchase date for purposes of this warranty will be the date of manufacture.

If your Cuisinart® Premier Series 11-Cup Food Processor should prove to be defective within the warranty period, we will repair it, or if we think necessary, replace it, without charge to you. To obtain warranty service, simply call our toll-free number 800-726-0190 for additional information from our Consumer Service Representatives or send the defective product to Consumer Service at Cuisinart, 7475 North Glen Harbor Blvd., Glendale, AZ 85307.

To facilitate the speed and accuracy of your return, please enclose \$10.00 for shipping and handling of the product.

If the problem with the machine is determined to be a defect of the motor, and within the warranty period, all postage and handling charges will be refunded.

CALIFORNIA

RESIDENTS ONLY:

California law provides that for In-Warranty Service, California residents have the option of returning a nonconforming product (A) to the store where it was purchased or (B) to another retail store which sells Cuisinart products of the same type. The retail store shall then, at its discretion, either repair the product, refer the consumer to an independent repair facility, replace the product, or refund the purchase price less the amount directly attributable to the consumer's prior usage of the product. If either of the above two options does not result in the appropriate relief to the consumer, the consumer may then take the product to an independent repair facility if service or repair can be economically accomplished. Cuisinart and not the consumer will be responsible for the reasonable cost of such service, repair, replacement, or refund for nonconforming products under warranty.

California residents may also, according to their preference, return nonconforming products directly to Cuisinart for repair, or if necessary, replacement, by calling our Consumer Service Center toll-free at 800-726-0190. Cuisinart will be responsible for the cost of the repair, replacement, and shipping and handling for such products under warranty.

Warning:

Our Premier Series 11-Cup Food Processor, and other Cuisinart® Food Processors and Accessories have been carefully designed and manufactured with the highest quality materials to assure your satisfaction and safety when you use them.

Although accessories sold by companies other than Cuisinart may be compatible with your Cuisinart machine, their use with your Cuisinart machine may present a risk of serious injury.

For example, you should not use other brand accessories, such as juicers, which permit your machine to operate with exposed cutting or shredding discs. We also caution you not to use the large feed tube on this machine with machines built by other manufacturers.

If you have any questions about the safety features of the Cuisinart® Premier Series 11-Cup Food Processor or any other Cuisinart product, please call us at the tollfree number above.
