

Technical drawing of a wooden cabinet with dimensions. The overall width is 18" and the overall height is 24". The cabinet has a rounded top with a radius of R9". The interior features a series of shelves. The distance from the top of the cabinet to the top of the first shelf is 3 1/2". The distance between the top of the first shelf and the top of the last shelf is 15". The distance from the top of the last shelf to the bottom of the cabinet is 3 1/2". The width of the interior shelving area is 11".

A diagram of a rectangular plate with a width of 1 inch and a height of 24 inches. The dimensions are indicated by dashed lines and labels: "1" at the top left and "24" on the right side. The plate is divided into two equal horizontal sections by a central horizontal line.

A line drawing of a window with a semi-circular arch. The window is divided into five horizontal rectangular panes by four bars. The entire window is set within a larger semi-circular frame.
