

Technical drawing of a 34 inch wide by 38 inch high arched door. The drawing includes the following dimensions and features:

- Overall Width:** 34"
- Overall Height:** 38"
- Top Arch Radius:** R31 3/4" (indicated by a diagonal line from the top left corner to the center of the arch)
- Internal Width:** 30" (between the inner vertical frame lines)
- Internal Height:** 33 1/16" (between the inner horizontal frame lines)
- Side Frame Thickness:** 2" (on each side)
- Bottom Frame Thickness:** 2"
- Top Frame Thickness:** 2"

Technical drawing of a vertical rectangular object. The width is labeled as 2". The height is labeled as 38". A dimension line at the top indicates a width of 1 1/2" for the upper section.

A black and white line drawing of a window. The window has a semi-circular or arched top. Inside the window frame, there are several horizontal lines representing window blinds. The window is set into a wall, with a thick frame around the opening. The drawing is simple, using only outlines and no shading.
