Technical Information

All product dimensions are nominal.

Recess-Mount Cutout:

Width:	18-1/2" (470 mm)
Height:	28-1/4" (718 mm)
Depth:	3-11/16" (94 mm)

Notes

Install this product according to the installation guide.

CAUTION: Risk of electric shock. Electrical wiring may need to be relocated.

IMPORTANT! For recess mounting, the wall cavity must be framed and cabinet secured to framing studs. Reroute any electrical wires or water supply piping from the wall cavity. If you encounter drain or vent piping, or if your wall is load-bearing, consult a professional before proceeding.

When determining the height of the cabinet, ensure the mirrored door will clear all obstacles (such as a faucet). A minimum distance of 3" (76 mm) is required.

Cutout for recess-mount installation: 18-1/2" (470 mm) width x 28-1/4" (718 mm) height x 3-11/16" (94 mm) depth.
