

INSTALLATION INSTRUCTIONS

WARNING: These products may represent a possible shock or fire hazard if improperly installed or attached in any way. Products should be installed in accordance with these instructions, current electrical codes and/or the current National Electric code (NEC).

CAUTION – To reduce risk of re, electric shock or injury to persons :
Make sure that the electrical power to the fixture is disconnected prior to any installation or retrofit.

INSTALL TRIM ASSEMBLIES:

1. Insert trim into housing. Push upward fully and tension clips will hold trim in place.
2. For eyeball trims and gimbal trims, before installing trim, remove socket plate/bracket from housing. Unfasten socket from plate/bracket, then snap the socket into the top of the trim.
