

MATERIALS

Shorea is a tropical hardwood that is comparable to teak. Heavy and dense, shorea is resistant to rot and will last for years in all weather conditions. Solution-dyed polyester fabric is an economical option available on stocking cushions with the look and feel of cotton and the durability of synthetic fibers. Sunbrella® is the leading outdoor fabric manufacturer and their solution-dyed acrylic fabrics provide superior durability.

2 4 Indicates that the item is available in a quantity of TWO or FOUR only.

*Cushion for the Armchair is optional, sold separately, and available in the stocking solution-dyed polyester and Sunbrella® materials shown below.

Cushions are included with the Club Chair and Loveseat, and available in the stocking solution-dyed polyester shown below. Seat backs have hook and loop tabs to secure them to the frame. Both seat and back cushions feature quick-dry construction with waterproof bag encasing the foam and vented bottoms for drainage.

All cushions are also available as Made To Order (MTO) with Customer's Own Material (COM) with a minimum of two cushions, or with any Sunbrella® Special Order Fabric (SOF) with no minimum order. Pricing and lead times will vary; please call for more information.
