

MANUBRIC'S WARRANTY

Manubric products are covered by a 5-year limited warranty from the date of purchase (proof required) when installed following the installation guidelines contained in the product specifications on www.manubric.com with all the manufacturer's installation products.

The original invoice from the authorized distributor must be provided.

The warranty does not cover damage resulting from:

- A non-compliant installation.
- Wall movement caused by soil settlement or otherwise.
- Contact with chemicals, paint, or others.
- Discoloration caused by air pollutants, water, or friction.
- Stains, oxidation, or discoloration caused by an external agent or friction.

The warranty only covers defective Manubric materials (labor not included) and is limited to the original purchaser.

For the installation of a fireplace, the buyer must have validated the number of BTUs with his supplier and apply the glue or mortar according to the required parameters. The buyer must demonstrate proof of the recommendation of his heating unit supplier.

The buyer must return the defective merchandise to the factory at its own expense if required.
