

1  
Move the cushion aside. Find the slipcover with label of "BACK", drape it over the entire sofa.

2  
Start from the backrest of the sofa and adjust the slipcover to smoothly fit the backrest of the sofa.

3  
Find the other cushion slipcovers, covering the detached cushion and putting it back to the sofa.

4  
Adjust the shape of the slipcovers. Smooth the wrinkles. Then you finished installation of sofa slipcovers.
