The camlock is now completed. **®**

#### **STEP 21**

### **TIPPING RESTRAINT HARDWARE**

**Note:** We have included two Tipping Restraint Hardware set for this Unit. When properly installed, this restraint can provide protection against the unexpected tipping of the Unit due to small tremors, bumps or climbing. We strongly recommend mounting this hardware to a wall stud and your Unit.

**Note:** You must install the Tipping Restraint Hardware with the unit in use to prevent any accidents or damage to the unit.
