AIDEN COFFEE TABLE

4900

Handcarved Soft Black Waxed
Wood

A strong foundation piece, the Aiden showcases a sprawling tabletop and a single shelf for storage. Hand-carved wood frame is finished in black, offering a bold contrast to the simple structure. The entire piece is completed with a soft waxed finish, adding a slight sheen to highlight the organic carved, wire brushed texture. Its versatile style makes this an optimal piece for both modern and traditional spaces.
