Base Type: E26

Light Source Included: NO

Voltage: 120VAC

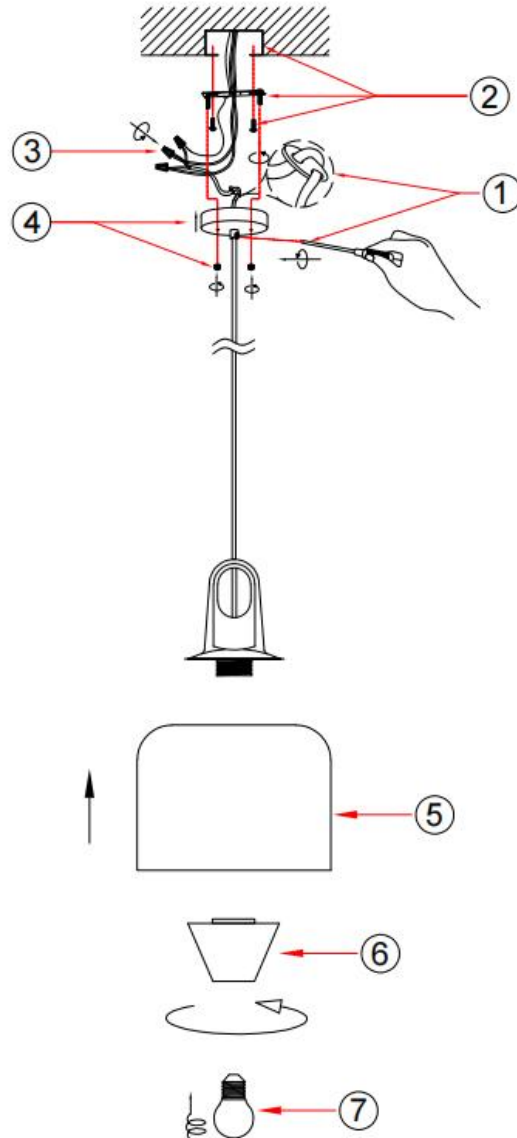

Wattage: 60W

## Package includes

1 x Pendant Light

1 x Accessories Kit

1 x User's Manual

## Installation Instructions

1. Loosen the screws, adjust the height of the hanging wire, then tighten the screws. Adjust the “8” buckle to the bottom of the canopy.
2. Secure the mounting plate to the ceiling.
3. Connect the inlet and outlet wires with wire nuts. (Note: Connect the positive wire (L) to the positive terminal (live); Connect the negative wire (N) to the negative terminal (neutral), and the ground wire to the ground post). Do not expose the bare wire to prevent leakage.
4. Secure the lamp body to the mounting plate by using nuts.
- 5-6. Install the lampshade onto the lamp holder and secure it with tapered acrylic clips.
7. Assemble the bulbs (not included).
8. Turn on the power to check if the bulb is working properly.

**Note:** Please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
