

Cuisinart® continues its commitment to superior quality and innovation with our state-of-the-art electric stainless steel knife. The Cuisinart® Electric Knife delivers high performance with two stainless steel blades to tackle any task. The bread blade makes short work of crusty baguettes, and the carving blade produces clean restaurant-quality cuts. Ideal for slicing meats, loaves, and vegetables, the ergonomic handle accommodates both right- and left-handed people. The elegant solid wood butcher-block storage tray with safety lock system for storage looks stylish on any counter top or tucks away safely into a drawer.
