Limited Warranty

Seating products are warranted against defects in material and workmanship while owned by the "Original Purchaser". The term "Original Purchaser" is defined as the party or entity which purchases furniture from an authorized retailer as shown by the original sales receipt. This warranty does not apply to "as is" or previously owned seating products. The manufacturer warrants its products to be free from defects in materials and workmanship (normal wear and tear, fading, and stretching excepted) for one year from the date of purchase, except as provided below under the limited warranty.

The exceptions or exclusions to this warranty are as follows: Any warranty claim that is submitted after the limited warranty period, or without proper proof of purchase, will not include the cost of parts, labor, or delivery. This warranty shall not apply to products which have been subjected to misuse, neglect, alteration, modification, or attachments, whether caused by the original purchaser, shipping, storage, accident, fire, or acts of God.

In the event of a defect in material or workmanship covered by this warranty, the manufacturer will repair or replace, at its discretion, without charge, the warranted furniture within a reasonable amount of time. We reserve the right to require damaged parts to be returned to us upon request. Natural markings such as scars, brands, grain variations, wrinkles, color variations, etc., will be considered normal characteristics and not construed as defects. We cannot warrant leather against scratching or scuffing, as all leather is subject to blemishes with use.

For claims or questions concerning this warranty, please contact our customer service department via email. Be prepared to provide your name, address, daytime phone number, product model, purchase order number, date of purchase, and the store where it was purchased. Proof of purchase is required to be submitted with all requests to confirm that you are the original purchaser according to our written warranty.

This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.
