

SEGRINO | Undercabinet Range Hood

Classic design with strong lines

SKU: ASG430SSA | ASG436SSA
CATEGORY: Undercabinet

The Segrino Range Hood, is available in 30" and 36" widths, in a compact under counter mount range hood, which is ideal when cabinet space is limited. The professional 23" depth provides added capture area to better support heavier cooking needs and is paired with a powerful 400 CFM blower. Rocker switch controls are discreetly hidden underneath the hood for easy access and simple operation of the LED lighting and 2-speed blower. Dishwasher safe anodized aluminum mesh filters and the hood's all stainless steel construction offers durability, easy clean-up and a bright attractive appearance.
