Chipped Away 1

D2802S56037-4709

Chipped Away 1 draws strong inspiration from Robert Rauschenberg's iconic 1950s pieces, showcasing a departure from conventional artistic norms. This minimalist creation combines strong brushwork with hand-drawn mark. A close look reveals an homage to Rauschenberg's famous use of collage, here with fragments of newsprint. These elements, coupled with subtle dabs of paint, give the work a sense of layered texture. A muted color scheme of sand, champagne, and charcoal complement the subdued nature of the work. Part of the carefully curated ART by TA collection, Chipped Away 1 is a compelling and elegant composition on canvas. Pairs beautifully with Chipped Away 2.
