PACKING LIST

Desktop board*1

Base*1

Column*1

Allen wrench*1

Roller*4

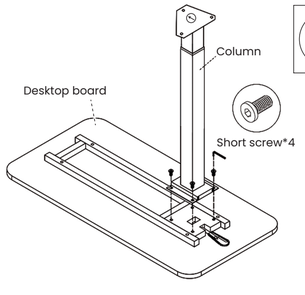

Long screw*3

Short screw*4

If any parts are missing or damaged, do not use the product. Contact us and we'll take care of it as soon as possible.

INSTALLATION

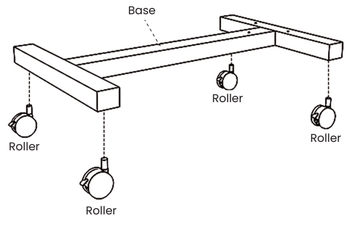

STEP1 : Fix the column to the desktop board with four short screws.

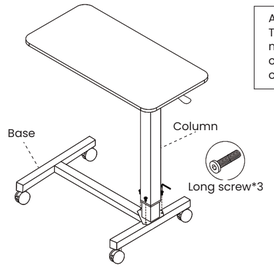

Attention! Please note the orientation here when installing.

INSTALLATION

STEP2 : Align the roller with the base slot, rotate clockwise, and ensure all rollers are securely installed.

STEP3 : Fix the column to the base with three long screws.Ensure all connection points are securely locked.

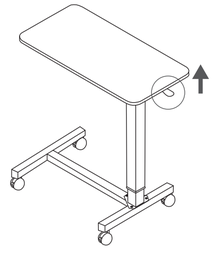

Attention!
The corresponding screws must be correctly locked, otherwise the table will be oriented incorrectly.

INSTRUCTION

You can raise and lower the table by pulling upwards the handle under the desktop board.

Note: For stability, lock the casters first, then steady the desktop with your other hand before raising/lowering.
