according to the arrow indication.
Press it in, use screwdriver to turn 90° clockwise and
tighten well.

Before Assembly

Tips Before Your Start

How to separate the drawer sliderG:

Drawer Front Alignment

If the drawer front panel is NOT level after being assembled, then...

Drawer front panel

Loosen the screws on the left and right hand side, then adjust the drawer slide up or down, until the drawer fronts are even/level, then tighten the screws.
