

# STELLAR AIR

## DECORATIVE AIR VENTS

### HIGHLIGHTS

We offer a range of floor vent cover solutions, depending on your needs and preferences. Metal covers are ideal for high-traffic areas, while wooden covers seamlessly blend with your hardwood flooring.

Magnetic options make replacing with different styles a breeze, while the metal screw-in option makes installation simple.

### NO REFUNDS POLICY

Our vents are guaranteed for maximum style and performance. Each design is lab tested for air flow, ensuring compatibility for your HVAC requirements.

We professionally handcraft each of our products, they are made to order reason why we don't have a return or exchange policy. We encourage customers to contact us if they have questions ordering. We go by the duct opening. Feel free to contact us if you have any questions.

### WARRANTY

We guarantee you 100% satisfaction with all of our products. Our first priority is to provide our customers and retailers with the best quality products and customer service!

General wear and tear, misuse and tarnishing are not covered under the 1 year warranty. If you received the product damaged, please notify us within 15 days of receiving.
