

# Optica Tabletop Clock 645757

---

**TABLE CLOCK:** The Optica Alarm & Table Clock is made with crystal and a brushed and polished aluminum base to complement your home decor. The clock's quartz movement makes a soft ticking noise without the use of chimes for a quieter environment.

**DURABLE:** This indoor modern clock is created to last. It has a sturdy frame to relieve stress in a busy household. Place it in your kitchen, office, bathroom, bedroom, living room, and more.

**HIGH QUALITY:** The design is a home essential. Easily tell time with black Roman numerals and hour markers, black hour hands, silver seconds and alarm hands, glass crystal, and polished silver-tone waterfall bezel to stand out over a white dial.

**MOVEMENT:** It is powered by quartz alarm movement, and requires one AA sized battery. A full felt bottom will protect your table or desk.

**HOWARD MILLER:** Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
