

TIFFANY CHANDELIER

DJ89000

Blackened

H: 38 IN

W: 42 IN

D: 30 IN

8 sockets

60 watt max

This eight-light chandelier is slightly whimsical. Frosted, seeded glass discs bring a modern feel to this stunning wind chime design. A blackened iron frame anchors the piece while adding a hint of industrialism. Finish may vary. Shown with a clear tubular bulb. Additional pipe available (PIPE-157).
