

Installation Guide

Model: Cube-KBA1504

Installation Considerations

These products should be located and mounted to a wall stud. While it is possible to mount them to any surface, a stud mounted product will yield the best results.

Keep this booklet and the receipt (or other proof of date and place of purchase) for this product in a safe place. The receipt is required to request warranty parts.

Please keep the box and packaging materials until your product is completely installed.
