

Albion 3-Tier Shelving Unit

Natural
Walnut

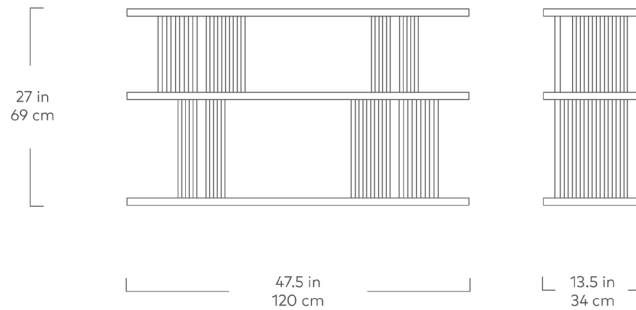

Vintage
Oak

The Albion Shelving Collection is an abstract canvas to showcase your cherished objects, books and collectibles. Fluted upright panels in alternating sizes create an interplay of light across the wood surfaces, dynamically changing throughout the day. The three-tier and six-tier units can be mixed and matched to create a custom shelf configuration perfectly suited to your space. Arrange as a bookshelf, media stand or console table.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit gusmodern.com for more information about our Trade & Contract programs.
