

NOTICE

*Please make sure that you have all parts indicated and they are in good condition before you begin assembly of this item. Refer to part list and hardware list below for guidance.

*This item should be assembled on a soft surface to prevent scratching the finish during assembly.

*This item may require periodic tightening.

*If you are having difficulty, our friendly Customer Care team is always here to help.

PREPARATION

*Before beginning assembly of product, make sure all parts are present. Compare parts with part contents list and hardware contents list.

*If any part is missing or damaged, do not attempt to assemble the product.

*Estimated Assembly Time: 60 minutes.

*Tools Required for Assembly (included): Allen Key

CARE AND MAINTENANCE

Always use felt pads under all articles to prevent discolouration or softening of the lacquer. Plastic and rubber bases on items can discolor wood. Wipe up spills immediately and avoid common hazards such as hot dishes, harsh solvents and abrasives. Cleaning should be done with a soft lint free cotton cloth dampened with water or furniture polish. On highly used surfaces we recommend applying a quality paste wax which should be used on a regular basis to provide additional protection from scratches and spills. How often you apply the wax depends on how much wear the furniture receives.

Part List

Product Dimensions: 62"Wx18"Dx33"H

⚠ WARNING

This product is intended for use with a
FLAT SCREEN TV ONLY
Maximum Screen Size: 65 inches
Weight Limit: 101 lbs
Shelf Load Limit: 41lbs
Drawer Load Limit: - lbs
Use with heavier televisions may result
in instability causing tip over resulting in
death or Serious injury.

⚠ WARNING

Death or serious injury may occur
when children climb on audio
and/or video equipment furniture.
A remote control or toys placed on
the furnishing may encourage a
child to climb on the furnishing and
as a result the furnishing may tip
over on the child.

- *If you are having difficulty, our friendly Customer Care team is always here to help.

STEP17: Install Door (J) into Side Boards and Center Boards. Please see the above images carefully. Secure with Screw M4.5 x 12.5 mm(HW5). Please refer to the last page for more guide on how to adjust hinges. Adjust the push tool as needed to ensure doors opening and closing smoothly.

STEP18: Assembly is complete.

TIPPING RESTRAINTS KIT INSTALLATION GUIDANCE

Different wall materials require unique wall fasteners.

The wall plugs (AA2) and screws (AA3) are designed for fixing to concrete walls only.

Please consult your local hardware store to ensure you are using the correct hardware for your wall type.

Grids Surface

HOW TO ADJUST HINGES

To adjust the vertical height.

Loosen the four screws "A" on both hinges. Two of them are usually in slotted holes which allows you to adjust up or down by few mm. Then tighten back up.

To adjust depth.

Loosen screw "B" and adjust door, if the door can not be adjusted, please loosen screw "C", then try again. Tighten screw "B" and "C".

To adjust side ways.

Turning the screw "C" on BOTH hinges on each door.
