

Cotton Twin Pack Pillow Cases

Our **cotton twin pack pillow cases** are a simple but essential addition to any bed, offering a soft, breathable and comfortable finish for a better night's sleep. Designed to fit standard pillows, they are ideal for everyday use and help keep your pillows feeling fresh, clean and protected.

Product Details

Each pack contains **2 cotton pillow cases**, making them perfect for refreshing your bedding or completing a new bed set.

These pillow cases are designed to fit a standard pillow size of **50cm x 70cm**, one of the most popular pillow sizes used in Ireland and the UK. The twin pack has a total weight of **1.2kg**, giving the product a quality feel while still remaining soft, practical and easy to care for.

Material & Comfort

Made from cotton, these pillow cases offer a naturally soft and breathable feel against the skin. Cotton is a great choice for bedding because it allows air to circulate, helping your pillow feel fresher and more comfortable throughout the night.

They add a smooth, comfortable layer between you and your pillow, making them suitable for everyday sleeping comfort.

Why Choose Cotton Pillow Cases?

Cotton pillow cases are a practical and comfortable choice for any bedroom. They help protect your pillows from everyday use while also creating a cleaner and more hygienic sleep surface.

Because they are breathable and soft, they are suitable for year-round use and work well with most standard pillows, including wool pillows, memory foam pillows and fibre-filled pillows.

Care Instructions

For best results, always follow the care label on the product. We recommend washing your pillow cases regularly to keep your bedding fresh, clean and comfortable.

Please make sure the pillow cases are fully dry before placing them back on your pillows.

Delivery

Delivery time is usually **3–5 working days**, if not sooner. Orders are delivered by **An Post**, and a tracking number will be provided once your order has been dispatched.

Free Nationwide Delivery

We offer **free nationwide delivery** on our cotton twin pack pillow cases, making it easy to refresh your bedding whether you shop online or visit us in-store.

Warranty

Any manufacturing defect should be reported straight away. This may include issues such as stitching faults or defects present when the product arrives. Once confirmed, the product will be replaced.

Please note that normal wear and tear, misuse, washing damage or accidental damage would not be covered.

Lifespan

Under normal use, pillow cases should be washed regularly and replaced when they begin to show signs of wear, thinning, fading or loss of shape.

Replacing your pillow cases when needed helps keep your pillows fresher, cleaner and more comfortable over time.
