Bayville Leather Chair

Item #:LL7935-11

DESCRIPTION	Without question, you can anticipate comfort from the blend down button tufted back cushion and ultra down seat cushion. Attention to detail is noticeable with the nailhead trim at the arm panels and around the base, standard in the pewter finish. The tapered legs in Millstone complement the Oyster Bay case goods, but you are welcome to customize in any leather and finish. In addition, this chair is available as 7935-11 in custom fabric both pair well with matching ottomans.
