Neutral Dunes 6

D2526S50505-4113

Neutral Dunes 6 is part of a series of six abstract landscape prints that explore the subtle nuances of a deserted yet inviting environment. The central theme of this intriguing series is a vast expanse of shapes that suggests a dune setting. In Neutral Dunes 6, the fragile, yet resilient state of nature is depicted in the crevice that punctuates this work and embodies both the harshness of the natural world and its underlying beauty. The soothing color scheme in graphite, sky blue, dove grey, and cream invites the viewer to linger for a moment with this engaging series of prints.

A beautiful complement to the Fog Along the Coast series, Neutral Dunes 6 is a graceful presentation of abstract forms in a pleasing palette of neutrals. Part of the carefully curated and exclusive ART by TA Collection.
