- An iconic "flying saucer" silhouette and ribbed glass are hallmarks of the retro, Atomic-Age Mid-Century Modern style.
- Ideal for low ceilings in hallways, closets, laundry areas, bathrooms, and more — compact design meets wide illumination.
- Dynamic Layered Design: This fixture features a unique double shade, with sparkling retro prism glass layered over a warm, black metal dome. The result is a striking play of light and shadow that adds depth and a sophisticated, dimensional look to your space.
