IMPORTANT

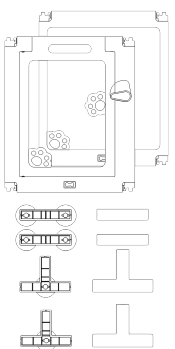

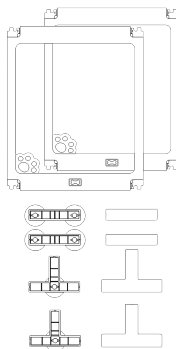

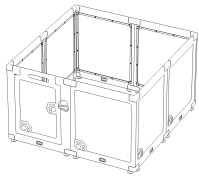

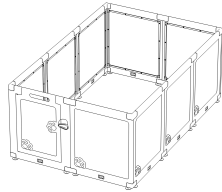

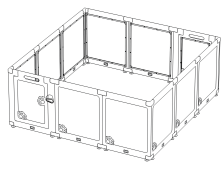

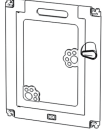

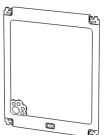

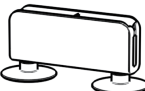

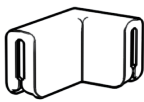

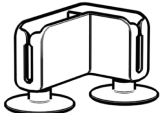

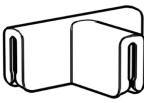

- The instructions are general versions for reference only. The installation methods are basically the same. If you have any doubts, please contact customer service.
- Carefully remove all the parts from the carton and place them individually on a softcloth to prevent scratches or other damage.
- Carefully and strictly follow these assembly&installation instructions to ensure acompleted product as designed.
- Do not tighten all the screws until each part is properly assembled.

Precautions:

- 1.When installing the base, ensure that the poles and accessory holes are aligned, then apply pressure to secure them in place.
- 2.Before using the suction cups, clean the floor and dampen the surface. Avoid placing the suction cups over seams in the floor.
- 3.Cold temperatures can harden the suction cups. Soak in warm water to soften before using.

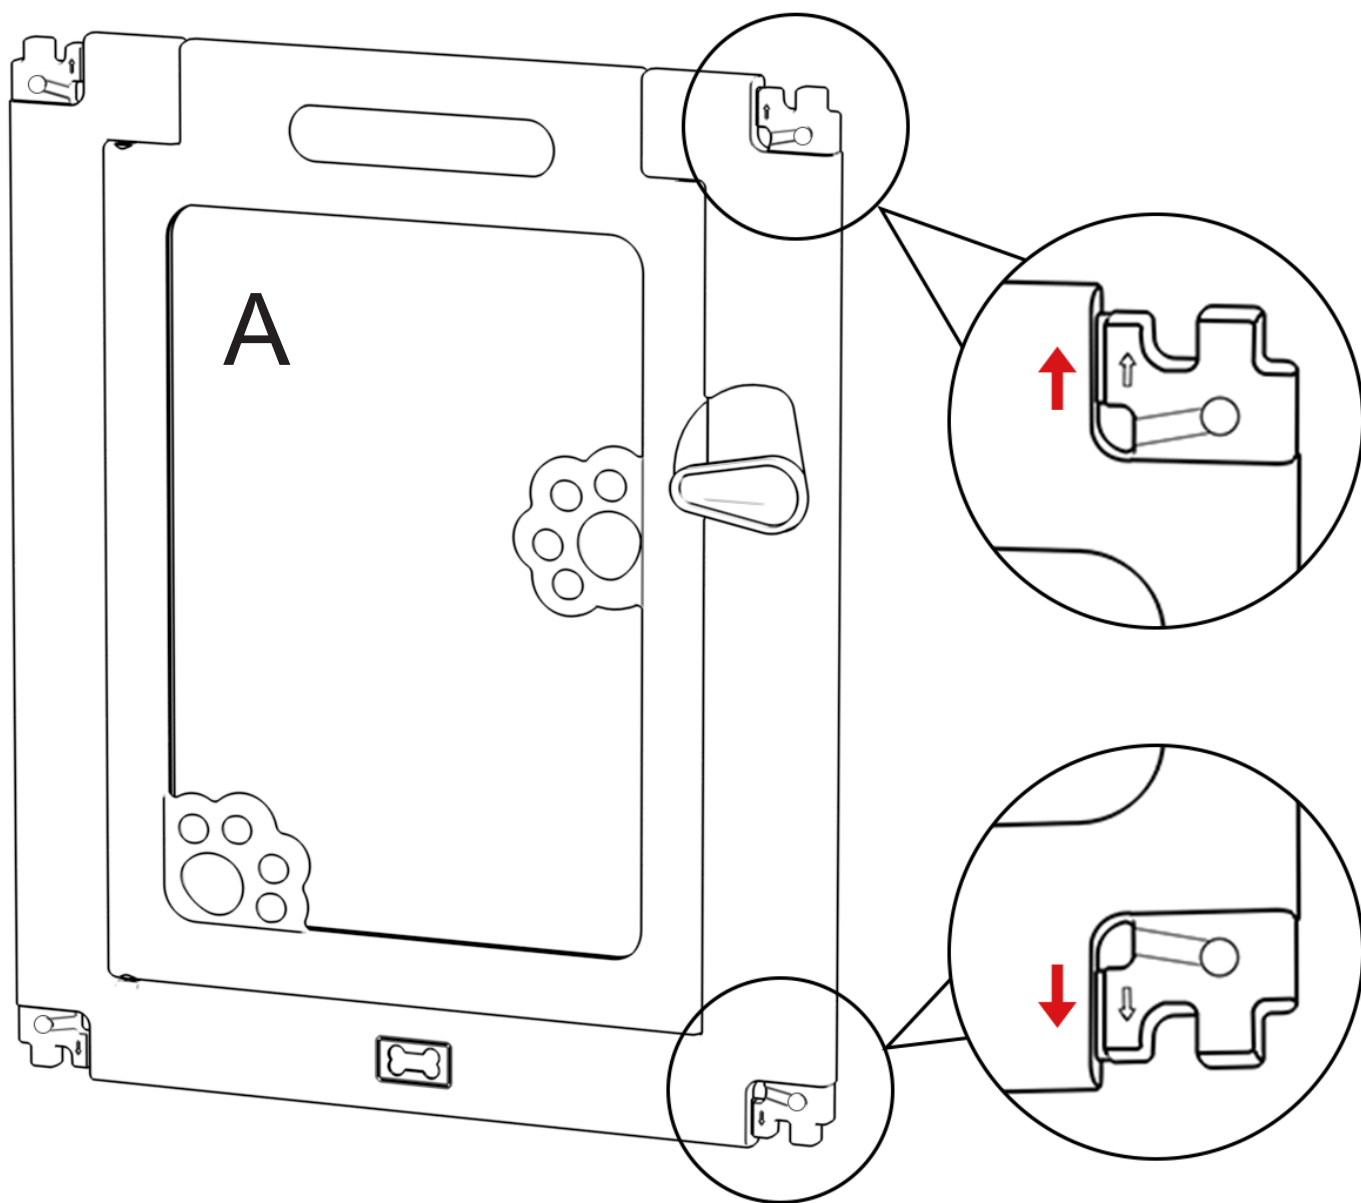

Note: Please remove the protective film before use
