Allen Wrench

Assembly

1

Attach feet (C) to side frames (A).

WARNING

Attach the unit to the wall with the Tipping Restraint Kit hardware. Follow the instructions printed on restraint kit's bag to install.

Serious or fatal crushing injuries can occur from furniture's tipping over. To help prevent tipping:

- Avoid climbing on or hanging on product.
- Unless specifically designed to accommodate, do not set TVs or other heavy objects on top of this product.
- Place heaviest items in the lowest position possible.
- Secure product to the wall with tipping-restraint.

The use of tipping restraints may only reduce, not eliminate, the risk of tipping over.

Assembly cont'd

2

Attach shelves (B) to one side frame (A) using screws (D).

3

Attach remaining side frame (A) to assembly using screws (D).

4

Adjust feet to level unit.
