

Assembly Instructions

Safety and Care Advice

Important – Please read these instructions fully before starting assembly

Check you have all the components and tools listed.

Remove all fittings from the plastic bags and separate them into their groups.

Keep children and animals away from the work area, small parts could choke if swallowed.

Make sure you have enough space to layout the parts before starting.

Assemble the item as close to its final position (in the same room) as possible.

Do not overtighten the nuts to avoid causing damage to the threads.

We do not recommend the use of power drill/drivers **for inserting screws**, as this could damage the unit. Only use hand screwdrivers and Allen keys.

Care and maintenance

Only clean using a damp cloth and mild detergent, do no use bleach or abrasive cleaners.

From time to time check that there are no loose screws on this unit.

This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Please check you have all the panels listed below

① x1

Table top

② x4

Table legs

2 Person Build

Please check you have all the fittings listed below

Note: The quantities below are the correct amount to complete the assembly. In some cases more fittings may be supplied than are required.

<p>A</p>  <p>M8x71mm Threaded Rod X4</p>	<p>B</p>  <p>M8x30mm Wooden Dowel X8</p>	<p>C</p>  <p>M8x22mm Metal Washer X4</p>
<p>D</p>  <p>M8mm Nut X4</p>	<p>E</p>  <p>M14mm Box Spanner X1</p>	<p>F</p>  <p>30PVC Stickers X4</p>

Assembly Instructions

Step 1

Put the pieces on a soft flat surface e.g. a carpet to avoid scratching or bumping. Make sure that you have all pieces and components ready to build the table.

Firstly insert threaded rods (A) and wooden dowel (B) into the assembly holes of the table top (part 1).

Step 2

Place the table legs (part 2) over the threaded rods as shown, use Fixing (C), (D), and Box Spanner (E) to tighten. Then put the Sticker (F).

Step 3

Assembly Completion

Warning: With help, turn the table around to complete assembly.
