

AG Shelter Series

Run-In Shed 13 x 24 x 10 ft. / 4 x 7,3 x 3 m

Instant Equine Shelter. Protect Your Livestock Investments.

- Specifically designed for equine and livestock, the Run-In-Shed goes through a proprietary steel surface preparation process.
- 1-5/8 in. / 4,1 cm high steel frame, bonded with a premium powder-coated finish resists chipping, peeling, rust and corrosion.
- Advanced engineered, 3-layer, polyethylene, rip-stop cover with white interior lining for enhanced illumination. Hot air fused seams are 100% waterproof. UV-treated inside and out with added fade blockers, anti-aging, anti-fungal agents resulting in a cover that withstands the elements.
- Slip fit connectors and swaged tubing make for easy assembly. Bolt hardware at every connection ensures a solid structure.
- Rugged Ratchet Tite™ tensioning enables quick cover installation. Easy Slide Cross Rail system squares up frames and bolt hardware at every connection point for stability.

Great For: Horses, hay, storage, livestock & farm equipment.

We've Got You Covered.™
North America's #1 Shelter Manufacturer.

Model #51451
