

Echo III Floor Clock 611320

Update your living space with the Echo III pendulum grandfather clock. It has a black back panel and stainless steel pendulum for a modern contrast, along with LED lighting for adjustable illumination.

Sleek Style: The glass and metal construction of this pendulum grandfather clock imparts contemporary style to your living room. This all-glass grandfather clock has a black back panel, which contrasts with the stainless-steel-finish slim cylindrical pendulum.

Modern Details: This modern grandfather clock has a white dial with stainless-steel-finish hands and hour markers. The continuous sweep second hand is finished in red for a vibrant touch.

LED Lighting: Energy-efficient LED lighting illuminates the case of this pendulum grandfather clock. Control the light settings simply by touching the round metal touch plate on the back of the clock base. There are four levels of lighting: low, medium, high, and off.

Adjustable Levelers: This pendulum grandfather clock can be placed on uneven floors and carpets because it has adjustable levelers under each corner.

Quartz Movement: This pendulum grandfather clock has quartz movement and requires one AA and two C batteries.

Howard Miller: Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
