Color: Gold

Base Type: E26

Light Source Included: No

Voltage: 110V AC

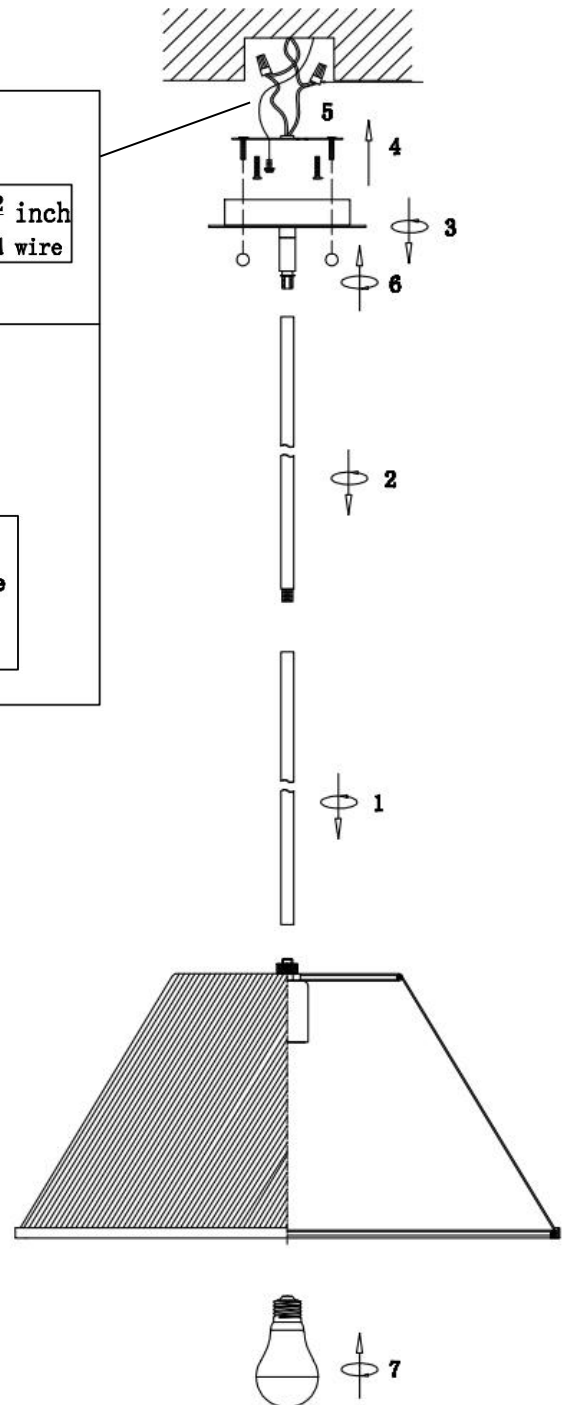

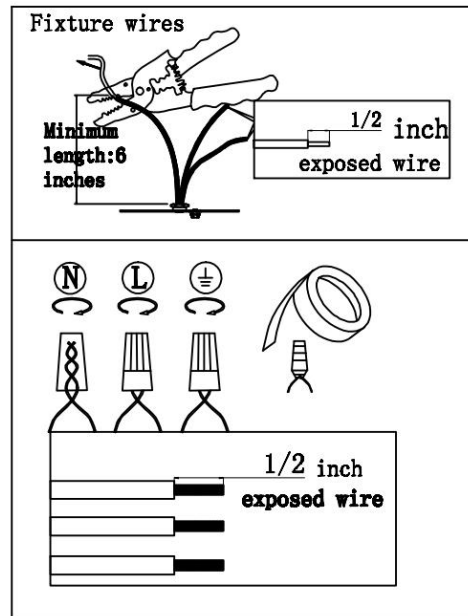

Wattage: 60W

## Package includes

1 x Pendant Light

1 x Accessories Kit

1 x User's Manual

## Installation Instructions

1. Attach the down rod to the fixture body.
2. Choose the desired length of down rod(s) and connect them sequentially to the fixture body.
3. Secure the canopy to the top rod.
4. Attach the mounting plate to the junction box.
5. Connect the fixture wires from the canopy to the wires in the junction box using wire nuts. Ensure the ground wire from both the fixture and the junction box is attached to the mounting plate with a green screw for proper grounding.
6. Position the canopy over the mounting plate, aligning it with the mounting screws. Tighten the ball nuts to securely fasten the canopy in place.
7. Screw the bulb (not included) into the lamp socket.
