! ASSEMBLY NOTES AND WARNINGS

Notes

Carefully remove all parts and hardware from the carton, along with any protective packaging.

Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.

Assemble the furniture on a soft surface, and take extra care not to scratch or damage parts during the assembly.

The item is only intended to be used indoors. Personal injury and/or damage to the product may occur if products are used outside of their intended purposes and/or if products have been changed/modified from their original design.

The product must be assembled and used in accordance with the provisions of the manual. The seller does not assume any responsibility or liability with respect to any damage caused by incorrect assembly or improper use.

New furniture should try to keep indoor ventilation as regularly as possible to help release formaldehyde.

The use of a power tool to assemble this product will invalidate any claim and damage this product making it unsafe.

Do not place the product in damp environments for extended periods of time to avoid mildew.

Do not fully tighten all screws until you finish the assembly.

Please check the tightness of the screws regularly. The fixed screws may become loose during daily use, which can cause injury due to the toppling of the product.

! WARNINGS

During assembly, keep all small parts out of the reach of children. It may be fatal if swallowed or inhaled.

Children should not climb or play on the product in order to avoid tipping over the furniture and causing serious injury.

To avoid the potential dangers of suffocation, please keep all parts and packaging (film, plastic bags, foam, etc.) away from babies and children.

Keep sharp objects and corrosive items away from the product to avoid any damage or injury.

When the product contains glass components, please assemble it with care to avoid glass breakage and scratching you and your family.
