

WARRANTY

We strive to offer high quality product, and we also try our best to satisfy each customer that orders from us with the best customer services we could.

Each customer has a record of their order, such as order numbers, receipts etc. You may still purchase the replacement parts even the warranty has expired, if the product is still available.

ASSEMBLY INSTRUCTIONS

Step 1: Take out the seat cushion (E) and back cushion (F) from the compression bags, please allow it to recover to original shape. It might take about 24 hours to be fully recovered, you may gently slap the cushions to speed up the process.

Put seat cushion (E) and back cushion (F) into the covers (H & I), and zip the covers.

Step 2: Insert hammer vertical nut (4) into the holes on stretcher (G) as shown, make sure the holes on the hammer nut screws are aligned with the holes on the sides of the stretcher.

Step 3: Connect back frame (C) and seat frame (D) to the right leg (B), with the stretcher (G) on the top as shown, then use the allen wrench (2) provided, to screw all the bolts (1) into the pre drilled holes, make sure all the screws are aligned before tighten.

Step 4: Align the left leg (A) with the parts assembled, make sure all the holes are aligned, then use the Allen Key (2) provided to twist all the screws (1) into each holes as shown.

Step 5: Insert the plastic covers (3) into all the screw holes on both sides as shown.

It will take a while for the cushions to expand. Normally it will take up to around 24 hours to expand to its full size.

Step 6: Place the seat cushion (E) and back cushion (F) onto the chair as shown.

Step 7: Congrats! The assemble is completed!
