

WILDWOOD CHELSEA HOUSE

490825 • Pensacola Bay Console Table

32.5h x 54.5w x 15d

Rattan

White Emulsion

Introducing the Pensacola Bay Console Table, a piece designed with natural materials to function as a sofa table or in a dining room as a serving piece. The agate stone body curves to provide an opening to allow visibility to the wall on which it is placed, while the whitewashed cane base is organically grounding.
