- Grinds up to 3 lbs. of meat per minute

Weight 12 lbs

Dimensions 15 × 15 × 12 in

The NESCO FG-180 Food Grinder is perfect for processing wild game into sausage, hamburger and other ground meat. The 500 watt motor and die-cast hopper allow you to grind generous portions of meat in a short amount of time, quickly and efficiently. The heavy duty cutting blade and grinding plates can process up to 3 pounds of meat per minute. The three grinder plates conveniently nest inside the integrated storage area. This grinder has two speed settings, high for grinding and low for stuffing. The reverse auger function eliminates jamming and ensures continuous use, while the stable design prevents tipping. The hopper and aluminum #5 grinder head assembly are removable for easy clean up. Includes a sausage stuffing tube, two stuffing plate attachments, and a food pusher. Whether you're processing beef for your famous family cookout or creating a sandwich spread for busy work days, the NESCO FG-180 Food Grinder provides gourmet results and puts you in control of the grind.
