

# PRODUCT DATA SHEET

## STYLE: 4LT SEMI-FLUSH

|                                 |                 |                                          |                    |
|---------------------------------|-----------------|------------------------------------------|--------------------|
|                                 |                 | 21. Minimum Drop                         | n/a                |
|                                 |                 | 22. Maximum Drop                         | n/a                |
|                                 |                 | 23. Adjustable?                          | No                 |
| 1. EAN/Barcode                  | -               | 24. Shade/Glass Material                 | Etched White Glass |
| 2. Tested?                      | No              | 25. Shade Width (mm)                     | n/a                |
| 3. Final Sign-off Sample Done?  | No              | 26. Shade Height (mm)                    | n/a                |
| 4. Category                     | Indoor          | 27. Shade Depth (mm)                     | n/a                |
| 5. Type                         | Semi-Flush      | 28. Size of Back-Plate/Ceiling Rose (mm) | 147                |
| 6. Finish                       | Weathered Brass | 29. Main Material                        | Mild Steel         |
| 7. IP Rating                    | n/a             | 30. Power Cable Colour                   | Brown & Blue       |
| 8. Class                        | I               | 31. Power Cable Length (mm)              | 200                |
| 9. Voltage                      | 240             | 32. Chain Length (mm)                    | n/a                |
| 10. Wattage (1)                 | 100             | 33. Rod Length (mm)                      | n/a                |
| 11. Wattage (2)                 | n/a             | 34. PIR                                  | No                 |
| 12. Lamp Holder Type (1)        | E27             | 35. Switch Type and location             | n/a                |
| 13. Lamp Holder Type (2)        | n/a             | 36. Connection Method                    | Terminal Block     |
| 14. No. of Lamps                | 4               | 37. Plug Type                            | n/a                |
| 15. Lamp Supplied               | None            | 38. Plug Colour                          | n/a                |
| 16. Dimmable?                   | Depends On Lamp | 39. Product Weight (kg)                  | 5                  |
| 17. Lumen Output                | Depends On Lamp | 40. Carton Dimensions (mm)               | -                  |
| 18. Overall Width/Diameter (mm) | 528             | 41. Carton Weight (kg)                   | -                  |
| 19. Overall Height (mm)         | 352             | 42. Notes                                | -                  |
| 20. Overall Depth (mm)          | 528             |                                          |                    |
