Mesh Office Chair Installation Manual

Parts List	A*5 	B*1 	C*1 
	D*2  R L	E*1 	F*5 

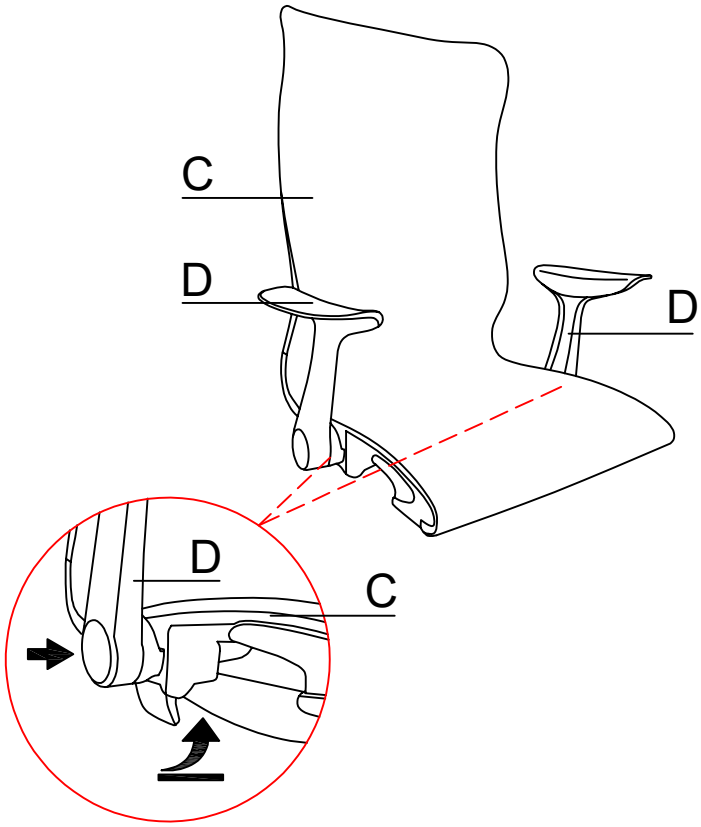

Step 1

Open the backrest and fasten the latch on both sides at the back tightly.

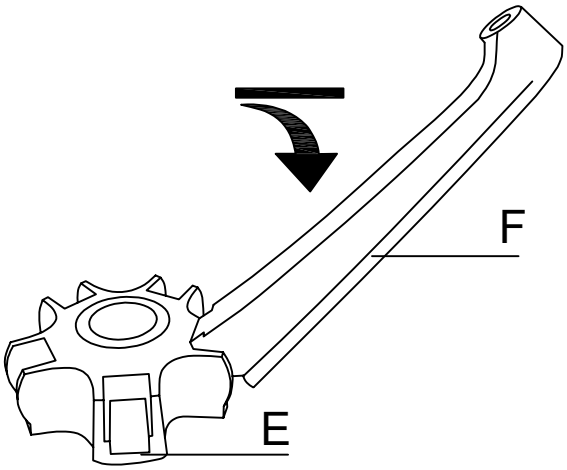

Step 2

Insert Part D into the grooves on both sides of the seat, and then lock the latch fasteners.

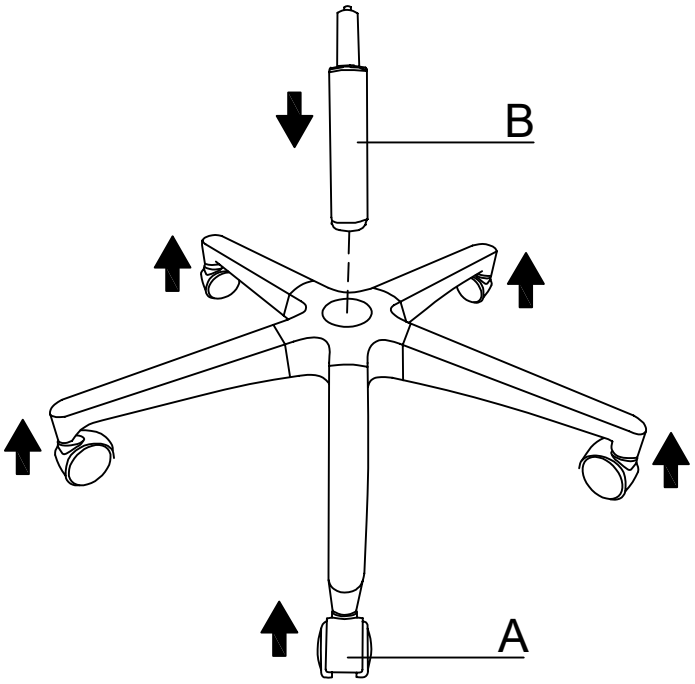

Step 3

Turn the Part F upward, align the Part F with the notch on the Part E and insert them, then push them straight down.

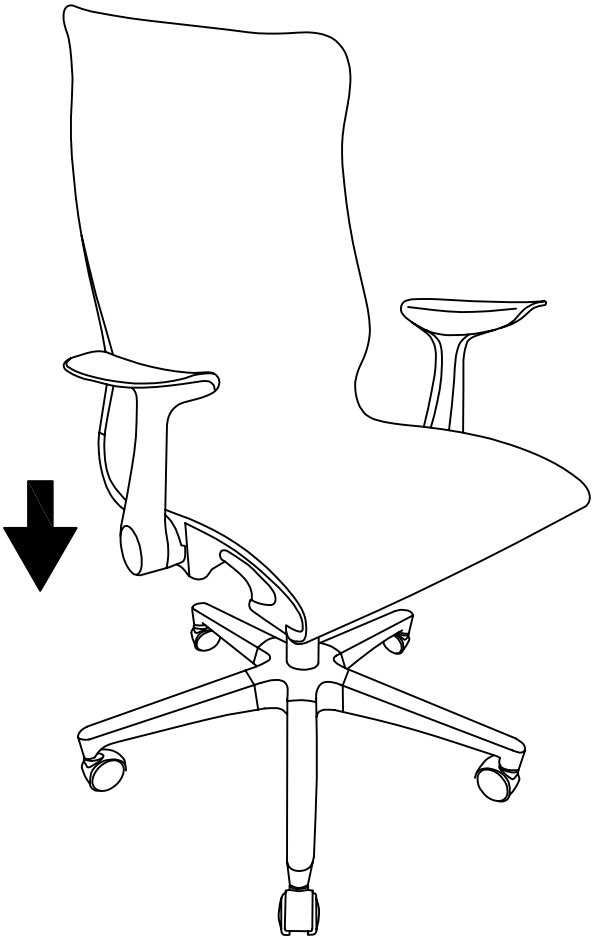

Step 4

Insert Part A into the support foot separately. And then install Part B.

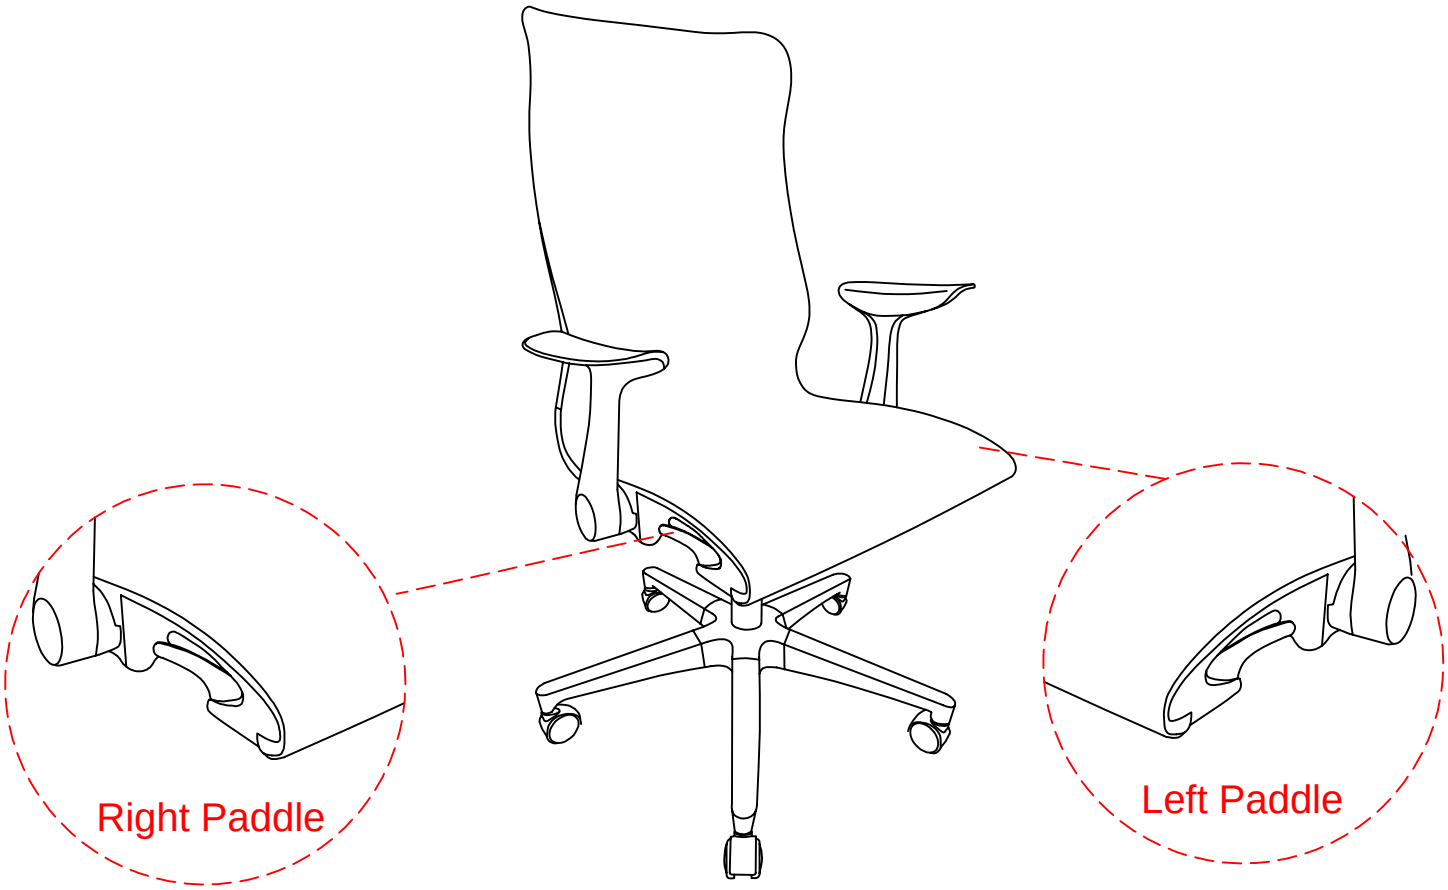

Step 5

Align the entire seat with the gas lift and then complete the installation.

Please Note：

①The left paddle controls the reclining function of the chair, and the right paddle controls the gas lift for height adjustment.
②If you encounter any installation issues, you can refer to the installation video on the website .
