

Technical drawing of a window unit with the following dimensions:

- Overall width: 16"
- Overall height: 22"
- Top arch radius:  $R13\frac{3}{4}"$
- Inner width: 12"
- Inner height: 19 $\frac{1}{16}"$
- Side clearance (each side): 2"
- Top clearance: 2"
- Bottom clearance: 2"

A diagram of a vertical rectangular panel. The width is labeled as  $1\frac{1}{2}$ " at the top and bottom. The height is labeled as 22' on the right side. The panel is divided into two vertical sections: a lighter gray section on the left and a darker gray section on the right. Dashed lines indicate the dimensions and the division of the panel.

A black and white line drawing of a window. The window has a decorative arched top and is fitted with horizontal blinds. The frame is simple and rectangular, with the arch integrated into the top design. The blinds consist of several horizontal slats. The drawing is done in a clean, minimalist style with bold lines.
