ASSEMBLY INSTRUCTIONS:

·Our clear, easy-to-follow, step-by-step instructions will guide you through the project from start to finish.

·Do not skip any steps. It is of utmost importance to assemble all of the parts according to the directions.

·Item identification: For ease of identification, all parts are labeled to correspond to the step number in which the part is used.

IMPORTANT:

·Read following instructions carefully before using the table.

·Be aware that some parts are heavy and have sharp edges.

·Do not overtighten screws (Insert all screws before tighten screws).

·Firmly secure all bolts, screws and nuts before use.

·Please do not exceed the weight limitations of this item.

·Reconfirm that all bolts, screws, and nuts are secure every 90 days.

CARE &SAFETY

·Always use on firm level ground.

·Keep all children and pets away from assembly area. Children and pets should be supervised while the product is being assembled.

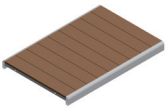

·The assembled product should be located at least 6 feet (2m) from any obstruction such as fence, garage, house, overhanging branches, laundry lines or electrical wires.

·Do not use or store this item in the proximity of open flame or flammable/-combustible chemicals.

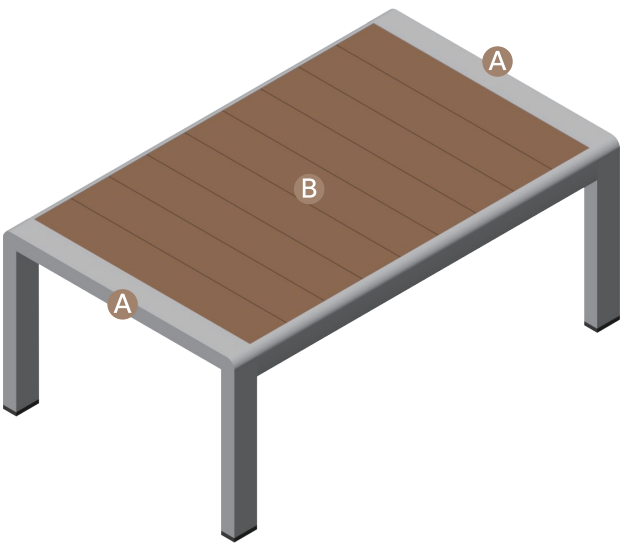

·In case of fire, do not attempt to extinguish any burning polypropylene with water.

·Please contact Customer Service if you have any problems or discover any missing parts.

ASSEMBLY PARTS

A	B
