

STICKLEY®

Martine Cocktail Table

In Martine's all-cherry, mid-century-inspired occasional group, mitered beading creates a frame around slightly inset drawer faces, and a radiused shape continues down the flared saber legs. The Cocktail Table features two side-hung, center-guided drawers with small pendant pulls. An H-stretcher connects the legs just below the drawers. An option is also available with the drawer fronts painted in Heavy Cream.

Details & Specs: 2-Drawers, Small Hardware Dimensions: W51 D27 H18

Available In: wood , heavy-cream
