

# LARGE FABRIC WARDROBE

## Caution

- Please be careful when handling the pipe edges.
- Please make sure to fully insert the pipes into the bottom holes of the plastic parts, avoid damaging the cover and fabric shelves.
- Please check the stability of the rack before use by leaving it on a flat surface, or on the floor.
- Place heavy items on the bottom shelves and lighter ones on the top for better stability.
- Please keep away from heat, chemicals, and direct sunlight. Store in a dry place.

Separate Tee joint types before assembly. Check T joint type carefully on each step. Different Tee joints are used for front, back & sides. Check tubes carefully type on assembly
