Slated Expression 1

D1343S26854-2335

Slated Expression harks back to the Abstract Expressionist movement that emerged in the mid-20th century. Bold, gestural marks that express unrestrained action command the view. Contemporary elements of late-20th-century Graffiti Art are present in the scrawls and shapes in the upper plane. The color scheme rendered in greige, steel blue, smoke, alabaster, and ink lends the work its urban feel.

A stunning conclusion to the six piece Eloquent Thoughts series, Slated Expression offers a powerful narrative told through abstract forms and vibrant displays of color amidst blends of neutral tones. An original addition to the exclusive ART by TA collection.
